## A Census 2000 Photo Gallery

01-16-P

The U.S. Census Bureau's "Photo Zone" website provides easy access to downloadable photo files and information. Go to [www.census.gov](http://www.census.gov) to see our online gallery. Images are also available on CD-ROM. E-mail us at [broadcast@census.gov](mailto:broadcast@census.gov) for more information on future CD-ROM photo products.

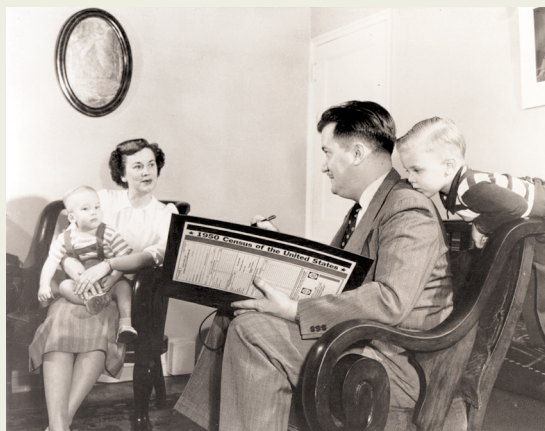

Photographed by Lloyd Wolf for the U.S. Census Bureau

*The photo gallery features examples of many Census 2000 forms.*

*"Everybody Counts!"  
Census in Schools  
brings Census 2000  
directly to U.S.  
classrooms.*

Photographed by Rick Reinhard for the U.S. Census Bureau

Photographed by Harris & Ewing, provided by National Archives

*This 1950 Census  
enumeration scene  
is one of many  
historical images  
available online.*

### *Census 2000 Photo Gallery*

- form filling
- enumerators
- data capture
- historical
- Census 2000 promotion

Photographed by Lloyd Wolf for the U.S. Census Bureau

*Census 2000 included the hiring of  
community census workers at three  
Data Capture Centers.*

Photographed by Michelle Frankfurter for the U.S. Census Bureau

*Census 2000 enumerators work door-  
to-door in every U.S. community.*
